Ex-Project Assistant At Milaan Foundation || Ex - An Omen  
Entrepreneur & Soochnapreneur At DEF ||  
Ghazipur, Uttar Pradesh, India

## Experience

Digital Empowerment Foundation  
Omen entrepreneur  
January 2019 - Present (5 years 8 months)  
My Journey with DEF

Champion: Advocated for education and empowerment in underserved communities, initiating impactful programs and projects.

Master Trainer: Led training sessions and workshops, equipping individuals with skills and tools to drive positive change in their communities.

Women Entrepreneur: Founded a venture dedicated to empowering women through education and entrepreneurship, breaking barriers and fostering.

British Council  
English Coordinator  
February 2024 - May 2024 (4 months)  
Uttar Pradesh, India

During my three-month stint as an English coordinator at Non Government organization, I guided students, facilitating their English learning with support and resources. Witnessing their progress was rewarding, and I enjoyed helping them overcome language barriers and build confidence in expression. Overall, I made a meaningful impact on their language skills and academic journey.

Milaan Foundation  
2 years 5 months  
Project Assistant  
January 2024 - May 2024 (5 months)  
Lucknow, Uttar Pradesh, India

In Milaan Foundation as a Project Assistant. I have done . 1.5 years of experience, I'll be crucial in coordinating projects, supporting teammates, and ensuring everything.
